

Carmel, 12-12-97

Hail Brian!!

O. BK

You are the Very Top! No one
can interview like you can! A delight
to see how you handle ^{AUTHORS} authors on the "Book
Review Program". You give them time and
you never take over our (author's) heads.
What a kind and sensitive man you are.
I admire your low-key, selfless no-nonsense
Posture-attitude. Again, my thanks for your presence
on television
