Dear Mr. Lamb:

I have been watching "About Books" today and wanted to let you know how delighted I am to see a TV network devote a whole day to books.

My Dad is a retired publisher so I was raised on books, from an early age. In my work I read quite a lot, given the chore of writing a sermon each week. Reading and study keeps me fresh in ideas and thought on a regular basis.

Also I enjoyed the piece on John Adams you did. Last November a class study group I am in did a series of papers on Adams.

I was assigned a paper on
Abigail Adams so the
program on John Adams
was of great interest to
me.

Thanks again!

Sincerely,

(p.s. Keep up the good
work you're doing.
We watch you out
here on "the Prairie".)
