C - Span

To whom it May Concerned!

We have mistaken C Span for a long time and always felt, in most cases you were quite fair. But a group of us here in Quincy would like to ask you (Mr. Scully) why you are working so hard against Bill Clinton. It really showed over this past weekend. You had Sheffield Nelson on from Ark (who was defeated by Bill Clinton) three times over the weekend. You could see the fire was still burning in his eyes. Jennifer Flowers said on T. V. some Republican from Ark. helped her with her other story - I wonder if this could be the Man - because he proceeded to say three or so other stories that are in the making - that will probably be read later in the Campaign. Do you recall that? You seemed to just draw him out to say anything rather about Gov. Clinton - he

Could think of. This was on "Road to
The White House". We were all just
shocked and very unhappy that you ran
that one rather article 3 times. Another
time Clinton was on and you said we will
come back to Gov. Clinton in just a moment
and then you put Ross Perot on for quite
some time. I saw him in Nevada - 7
different shots, in 2 days or so. Bill Clinton
gets on once and you kept him quiet by
instantly cutting him off. He got the
Democratic nomination much earlier than any
one else has for a long time. Remember that?

I was talking to a friend in St. Louis
tonite (she's also for Clinton) and she ask
me what they were trying to do to Clinton.
she said they never let him on T.V. - and
he's really the only one with a good message.
She said about all you can get is Ross
Perot. If you treat Bill Clinton like you do Perot
he would probably be higher in the polls, too.

This is a scratchy letter - but I have
arthritis real bad - so hope you can make it out.
Just had to write & let you know our
feelings. We are very disappointed in C. Span.
Thank you for listening.
