Dear C-Span people,

Please - do not have
someone as clearly
biased & opinionated as
this Sarah McClendon
is unless you have
someone from the right
to balance the table.

She's disgustingly
biased! I sure need
my dose of Rush Limbaugh
today.

Since I'm writing
I would like to tell you
that recently you had
Steve Aduback as a

2

call-in guest. I'd love
to hear more from him.

I'd also like to hear
more from Col. Fletcher
Proctor & John Judge
perhaps balanced by
the man who sat to
Mr. Judge's right on
a recent panel about
"J & K - the movie."

if you bashed today! -

best by & large I love
C-S Pan.

Sincerely,
