Halt Bryan - sorry about that. We are hav-
ing a very heated campaign for the 10th
Congressional Seat in Massachusetts. It is al-
so very dirty on the part of Lally, the
Republican and Stedden, the Democrat.
Bryan was on E-Span recently; he was
an invited speaker at a function and
E-Span covered it. A member of Bryan's
Campaign Staff contacted Jim Mills sev-
eral weeks ago. Unfortunately, no one has
returned Bryan's call. Shame on you all. ^{Sen. Lally}
