*The Princess and the Frog*  
SIR EDWARD JOHN POYNTER 1836-1919  
Fine Art Photographic Library, London

Congratulations  
on a great  
program - 2  
intelligent people  
all at once.

Also all the calls  
seemed more  
intelligent. Am  
going to read  
"The Hard Way"  
too. My home  
town is right near  
(10 miles) Biddeford  
so I can't wait  
to read it.
