Cefance, Q 43512

Dear C-Span:

Thank you for the 1992 Race to the
Nomination process, that I received
the other day.

Yes I will enjoy the Congressional -
Quarterly subscription.

I watch all of your political programs on
C-Span, I particularly like the presidential
debates and the Road to the White House
programs.

I like your C-Span Update publications
very much.

I have a favor to ask you, do you
know where I can obtain presidential
campaign buttons?

Thank you,
Sincerely,

Gen. 92
