"I Watch C-Span"

because, I can see the news,
current events, & also hear
the news, current events, debates,
and all sides of any controversy,
debates, lectures, hearings,
and gives the listener, and
viewer, a neutral presentation
of the news as it is, whether
it is local, -national, or inter-
national news.

The "Viewer, Listener"
is not swayed by the producers,

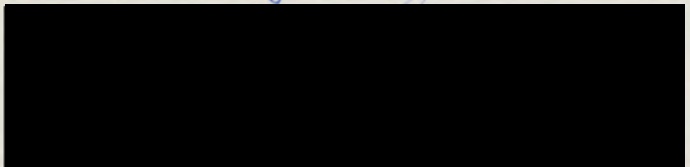

directors or any employe, or
executive of C-Span.

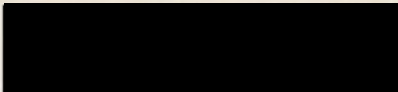

It presents the news, debates,
and all factions of the news,
the way it is, and the way
the public should see &
hear it.

It is a fair part of the media
which does not confuse the viewer,
listener.

I like it.

Sincerely,

Lauderdale Lakes, Fla.
