Dear Mr. & Mrs.
Greetings in the name of our Lord
and Saviour Jesus Christ.
I've often watch you and I
commend you on a job well done.
I am a black minister here in Minot,
North Dakota. I'm currently trying
to organize a group called F.A.B.R.I.C.S.
Fathers Against Beer Rights in Commercial
I'm concerned about the beer
commercials on television. They took
cigarettes off of television. If alcohol
is so bad, then why do they still
advertise it on television?

Twenty Five Thousands teenagers die every
year from alcohol related incidents.
Teenagers see advertisements of beautiful
models and body built men to see
their products. Teenagers see these
commercials and want their lives to be
exactly like the man or woman in the
commercial.

If we use the media to
advertise more fact than fiction in
commercials, drinking among teenagers
will drop dramatically.

I thank you
