Dear Friends:

Two things:

1.

I have been very disappointed with C-SPAN's Washington Journal format in the last number of months.

I used to love the WJ format.

I used to tell people - and I told MANY, MANY PEOPLE - Watch C-SPAN from 6 to 9 am E; they have an extremely balanced format; they always have a Democrat and a Republican talking to each other about the issues; then they always have a liberal journalist and a conservative journalist discussing the issues together. You can always get both sides of the issues each time you watch.

I don't tell people that any more. Your format, to my great sorrow, has changed.

I'm not able to watch for three hours every morning. And I'm not always able to watch every morning. So therefore I don't get balance.

A Democrat one day when I'm watching and a Republican the next day when I'm not watching ...

or

A Republican one day when I'm watching and a Democrat the next day when I'm not watching:

this isn't balance. whether it's me or someone else.

I have almost been heart-broken to see the change. I hope it's not permanent; it probably is. I hope it changes back to the balanced format.

2.

I've enclosed information about Marxism in our schools and in our nation. Marxist teachings in our American Government textbooks is irrefutable. I think this would make a superb presentation sometime. Surely there is some group out there talking about this issue.

Sincerely,

A PROPOSED 6-ISSUES CAMPAIGN STRATEGY

REPUBLICANS COULD WIN 300+ SEATS IN THE HOUSE, 66 SEATS IN THE SENATE!

AMERICA IS FIGHTING WORLD WAR III - IT'S A WAR OF IDEOLOGY.
AMERICA & AMERICA'S SCHOOLS ARE BEING TAKEN OVER BY MARXIST SYMPATHIZERS.

Most Americans - most politicians - don't realize that.

AMERICAN GOVERNMENT TEXTBOOKS TEACH THAT MARXISTS GOVERN AMERICA.
THIS IS THE ISSUE THAT MOST DISTRESSES THE PEOPLE WITH WHOM I TALK!

It especially distresses blacks & blue collar workers. Knowledgeable people!
(This is an issue that would defuse Union's push for service workers.)

MARXISM IN TEXTBOOKS IS AN INDISPUTABLE FACT.

In Feb'97 in Washburn Rural High School, Topeka, KS, seniors used textbook AMERICAN GOVERNMENT James Q. Wilson, 1989. Ch 1. "Study of American Government" asked "What is Democracy?" Answer: 1st paragraph says Soviet Union, Cuba, China and certain dictatorships can claim they're "democratic" if the gov't serves the "true interests" of the people even if the people don't directly affect gov't decisions. Ch. 22 (& CH. 1) asks: "Who governs?" Answer: Marxist-121 lines; Elitist-60 lines; Pluralist-54 lines; Bureaucratic -87 lines (the theory by German Max Weber who stressed the role of bureaucracy.) Chapter 1 has only two individual pictures: Karl Marx and Max Weber. Suggested reading: Communist Manifesto. (People are appalled when I tell them this. I've given 2000+ of the attached newsletter.)

GOP CAN WIN BIG THIS FALL - AND SAVE THE COUNTRY - BY TALKING ABOUT THIS ISSUE.
IT TIES IN WITH THE CHINESE MISSILE TECHNOLOGY TRANSFER ISSUE.

THE WINNING ISSUE: SELL PATRIOTISM: MOST AMERICANS ARE PATRIOTIC!
GOP HAS THE ISSUES TO WIN BIG - AND SAVE THE COUNTRY - IF IT FIGHTS.
LET THE GOP HAVE THE VISION TO SEE THIS AND THE COURAGE TO ACT ON IT.

Communist Party is exempt from election law that campaign donors be identified.
BY NOT FIGHTING, GOP GIVES AMERICA TO THE MARXISTS. TERRIFYING!

1. THE CHINESE CONNECTION! A REASON TO ELIMINATE THE COMMERCE DEPARTMENT!

Tell about Justice Dept investigation of 2 U.S. companies selling missile technology to China & Clinton overruling the law to help the companies.

Show Henry Waxman's connection with Chinese cigarette company.

(Clinton appointed pro-Marxist Johnetta Cole to head his first transition team.)

2. CLINTON OK'D MISSILE TECHNOLOGY FOR CHINA: A REASON TO BUILD SDI.

U.S. needs SDI. Many nations have nuclear capability. Democrats oppose it.

People think U.S. already has SDI! Tell: MILITARY DOWNSIZING WEAKENS U.S.

3. SCHOOLS PROMOTE MARXISM! A REASON TO ELIMINATE DEPARTMENT OF EDUCATION!

Education is Americans' Number 1 concern. Tell Americans the following facts.

Education in the United States for past 100 years reflects MARXIST IDEOLOGY.

In late 1800s Karl Marx promoted a classless, socialistic, one-world society thru a worker revelation. Meanwhile in England the Fabian Society promoted a classless, socialist, one-world society thru an intellectual -student- revolution. Fabianism came to U.S. before 1900. Supporters included American educational leader John Dewey whose concept, Instrumentalism, was similar to Fabianism and Marxism. 16,000 Marxists teach today at universities, said ex-Marxist David Horowitz. (See my attached letter.)

4. OPPOSE AFFIRMATIVE ACTION. THOMAS SOWELL OPPOSES IT. ALL MEN ARE CREATED EQUAL.

5. CAMPAIGN FINANCE REFORM: FULL/INSTANT DISCLOSURE. Don't worry about \$\$\$.

Require Communist Party campaign donors be identified.

6. EDUCATE PEOPLE ABOUT Y2K SO IN 2000 THEY WON'T THINK IT'S A REPUBLICAN-CAUSED "CAPITALIST CRASH"!

Why isn't Congress doing something about Y2K? In 18 months it's going to totally disrupt the fabric of America society?

BI-PARTISANSHIP - "CIVILITY" - IS DEMOCRATS' GAME PLAN TO NEUTER REPUBLICANS.

THEIR NEW GAME PLAN: Watch Rosa DeLauro on 1 minutes: She's quiet, charming - Main-stream American!

AMERICA IS AT A CROSS ROADS. REPUBLICANS MUST START PLAYING HARDBALL. TELL FACTS MEDIA IGNORE.

Run on Contract with America: What's been done last 4 years! TAKE CREDIT! [WHO WILL LEAD?]

Grass-roots Republicans would contribute BIG MONEY for aggressive ad campaign.
