Gentlemen:

One tunes in C-Span to find
the latest, up-to-date, unbiased
news.

Imagine my surprise and shock
when I tuned in C-Span on
Election Day afternoon, Nov. 2nd,
and viewed the Rush Limbaugh
Show. At first I thought it was a
news item, but after viewing a
few minutes of his obnoxious
bashing of Gov. Clinton, Senator Gore,
and Ross Perot, to the point of
disbelief I turned C-Span off.
Later I again tuned in C-Span

2/

And was disheartened to find
a RE RUN of the show only
a couple of hours later.

That has happened to your
ideals? In my opinion, your
allowing that repugnant person
on C Span is a big mistake. No
one could be more biased.

If it were not for C Span, I
would not subscribe to Cable
at all.

Sincerely,
