

THE NEW YORKER "TALK" as also

Dear Brian -

OCT 12 REC'D

OCT 23 REC'D

I had an opportunity to travel
to many countries beginning in 1952
I lost my job with the Dept of
State because Nixon + McCarthy
wanted to give the impression that
there were "Communists" in the Dept.
(See "McCarthy" by R. Rovere) I began to
learn about U.S. + about many other
countries. I began to realize how little
we know of the world except Europe +
England + that is sketchy - you are
doing U.S. a tremendous service!
