Leonard,

C-SPAN received a total of 17 calls from viewers commenting on former President Reagan's testimony during an open phones program on Wednesday, March 21, at about 7:45pm.

Here are some of the comments we received:

"I think Mr. Reagan may be sidestepping some of the issues. It's quite obvious he hasn't recalled everything. Mr. Reagan just can't recall. The Great Communicator!"

-Seabrook, NH

"These men were heroes. I'm sure they did what they thought was best. The government should let this thing die down, instead of making American and their leaders look bad."

-Sapula, OK

"I want to know whether the president has Alzheimer's disease or is he just a bald-faced liar? He just doesn't remember anything that's really critical to the whole thing."

-San Francisco, CA

"Forget the Republicans and the Democrats. I think this country should get down to serious business and solve some of the real problems, not spend all this money on these investigations."

-Canton, MI

C-SPAN also received four viewer calls regarding the Reagan testimony on this mornings "Journalists' Roundtable" program.

Hope the quotes are helpful. If you need anything else, please call me at 626-7975.
