Dear Brian:

Enjoyed visiting with you last night and special thanks for giving me a heads-up that Rachel Van Dongen was going to be on C-SPAN this morning. I enjoyed watching her, and I am sure [REDACTED] was extremely proud.

[REDACTED] and I are so disappointed we will be in Scottsdale when you visit Lafayette this weekend, but do make a special effort to connect with us in Florida, Indiana or the Nation's Capitol. We miss seeing you guys.

Enclosed are some snapshots which are probably copies of some I already sent a year or so ago, but thought you might enjoy seeing them.

Warm regards.
