Liberal C. Span!

I've listened to you for years.
+ I thought you were not biased
but I've changed my mind!
I listened to Judge Bork
+ Susan, I think Susan
is getting worse everytime
I listen to her! 6.00

she had about 5 Liberal
Calls in a row + then when
one Conservative called on the
moderate line she really
chewed him down! he said
its the only way he could get
the call thru!

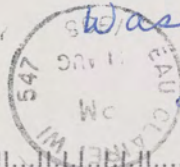

are you in the white house
pocket too! like most Media
are. Also I think Brian is
trying to fool us by letting
us think hes not a Liberal!
He is! He is! He is!
shame on you C. Span.
a listener.
