C-SPAN  
400 North Capitol St. N.W.  
Suite 650  
Washington D. C. 20001

As regular C-Span watchers, we particularly enjoy the British House of Commons, Prime Minister Questions. We are a little disappointed that you no longer identify the members by their constituency. While we are not experts on British Geography, the location was helpful in associating the views expressed with the environment of the area, (we imagine).

Kuudos to your staff of interviewers, particularly Brian Lamb and Susan Swain.

Sincerely
