

9/20/98

O.W.J

This morning listening to C Span,
on the The Press, This Week I find it
strange that you all really even
examine anyone attached to the
Whitehouse but pretty much give an
easy ride to those Honorable Republicans.
What ~~is~~ wrong with the media?
I have been around for 84 years and
have never ^{heard} such sustained B.S.

There is more to morality Sincerely,
than sex & sex illegal?
