

Dear Brian

C Spain's integrity is now
under question because of
your screening of calls.

What do you do when
there are 5 calls in Dole's
favor and none for S. Willie?

This program was before
the best poll of all
because we could tell that
the other polls were question-
able because of more Conservatives
calling in.

It would not matter if the
Unions loaded the phone lines
because we can tell when
a left winger calls because
they lie so much

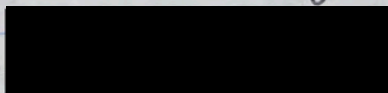

O.WJ

Please get Clinton on
one day and Dole the
next.

When you have opposites
on the same day, there
are interruptions and each
side states their position
and we end up not under-
standing the real truth.

Sincerely

P.S.
