To Whom Concerns;

I Am writing to you in Reference to
Your looking into one of your Video Taping
Records of the News Briefing with Senator
Orin G. Hatch and Senator Patrick J. Leahy (D)
Vermont and Senator Hatch (R) Utah. Date of
Briefing would be a few days Prior to
President Clinton's Testifying before the Grand
Jury. They were asked to Comment on President
Clinton's Ongoing investigation Senator Leahy
made a Comment in Reference to the Total
Amount Spent to date investigating President
Clinton ^(was to much) ^{(Hamilton) and growing} by Rep Starnes which I agree
being a disabled Person and unable to work
and my Social Security Insurance ^(Disability Check) is Taxed at
the end of Year, goes toward the amount
Spent as other Tax Payers of the Country's
Taxes are Paid as well. What a waste. In the
other Word After Senator Leahy had made
his Comment, Senator Hatch's Comment
was quote "I don't care how much has

been Spent nor do I Care how much
it will Take, it can be in the Billions
it won't matter" ^(quote) Now this
Comment was not Picked up by the Media
I just thought this was the most
Appalling State ment coming from one
of our U.S. Senators, He didn't Care how
much the cost would be. Now this
was the Taxpayers money he was
Speaking in Reference to. I was so
Upset about the Statement and it has
Prompted me to write to you to
pull the video from your archives
and Show to the CSPAN Viewers again.
I am also Sending a copy of this
letter to Senator Hatch, Senator Leahy
CNN and other News outlets. I just
don't understand while the Comment
was not picked up and just omitted.
It wasn't Omitted by me. We Struggle
to Pay Taxes, They take so much from
my Husbands Pay and for Hatch to
make Such a Statement was an
insult to myself and to other Tax
Payers of the Country.

C.C. S. Orrin Hatch
S. Patrick Leahy
