Dear Sirs:

Colonel James "Bo" Gritz is a presidential candidate. He is the most decorated Green Beret leader ever and has unique knowledge concerning the MIA issue and government cover-ups. He has other special knowledge concerning illegal and unconstitutional activities of our corrupt government. He is the only presidential candidate with the spiritual courage and faith to tell the truth concerning the Federal Reserve, the FDA, the military, the MIA's, and the controlled media.

Are you controlled also? Do you believe in free speech? "Bo" Gritz has information that would make your show the talk of the country over night.

Please have him on your show - soon. History will record your opportunity. We all must do the right thing. It will affect our lives and our souls. Please respond.

God Bless You,
