

Brian —

your engineers on
"remotes" need another
JOGGING on either insisting
on at least one mike in
the audience OR speakers
ORDERED to REPEAT
questions before answering
each one. [BAD example the Sunday
3/22 "Booknotes" by the
"Tricky Dick - Pink Lady"
books author.] There have
^{FEW} been some others. Otherwise,
Keep up the good work!

One of a series of serious cards done
by a serious publisher in serious trouble.
