To Rob Kennedy

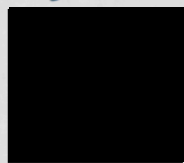

Dear Rob,

CONGRATULATIONS, AGAIN, Rob
to you and SUSAN for receiving this year's
Vanguard Award for Programmers!

C-SPAN continues to represent
the promise, and very best, of cable -
and you all (and that "other guy") made
it all happen.

Thanks for all you do!

Best wishes,

cc: BRIAN LAMB
("The Other Guy")

P.S. Loved your
comments at the
ceremony!
