Why this family no longer watches
Washington Journal as of this
date. OR Unwritten Rules of
Washington Journal!

- #1 ALWAYS start the day with a
Mr. Felten, Clinton Rates.
- #2 When you call W.J., ALWAYS
refer to the President as Clinton
only. NEVER as President.
- #3 ALWAYS quote the Washington Times
as it is the BIBLE of Washington
Journal.
- #4. ALWAYS call the President a
LIAR!
- #5. ALWAYS REPEAT any dirty
story regarding the President, you
don't have to prove it.
- #6. If a good comment should slip by,
the host MUST counter with a
quote from the Washington Times.
- #7. ALWAYS take calls from Joe, the
Republican Talk Show Host from
Georgia - no matter how often he
calls.
- #8. ALWAYS take 85% of calls from
the Deep South!

#9 ALWAYS talk IMPEACHMENT!

#10 HIDE behind your GUNS & BIBLES. HATE sounds better from a Christian.

#11. PRODUCE EVIDENCE if you say anything good about the President or this COUNTRY!

#12. THEN START on Mrs. Clinton and Chelsea and don't forget SOCKS & BUDDY.

I don't think as your average viewers think, I love this Country & I do not think the President is EVIL as your viewers think he is and I do not think that the President is guilty of all the sins for which he is accused on W. G. All of your TALKING HEADS have no DEGREES IN COMMON SENSE! No name citizen who is fed up and I know you don't respond to negative letters anyway!!!!!!
