Mr. Lamb:

It is impossible to get in on your morning all-in programs any more. I've been calling since 1980.

Please try to correct this & stop the guests ~~from~~ talking too much. The callers who get in must know something I don't.

People like me will stop trying because we miss out on the program dealing so much.

P.S. Sorry my typewriter isn't working! You're still the greatest with me. Your honesty is obvious!
