Dear Brian -

Your program ^{today} ~~on Sunday~~ ^{Monday} with Hamill, Halberstadt and Crouch, was one of the best I've seen on TV because it dealt with some serious ideas and treated them seriously & constructively.

The 3 speakers (but not the 2 publishers) were wonderfully open in their remarks - a good reason to interview successful authors since they don't try to bullshit. (Sorry I can't say the same for those 2 publishers.)

How about letting us hear from some of

O.BK

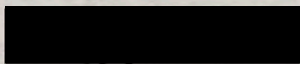

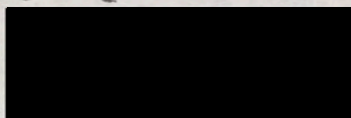

those Internet authors? The
Internet question was the
only one that was
discussed superficially .
