

1993

Hi Hitlers: -

Why dont you go to Russia and put on your shows. You dirty Republicans act to me like you never had an Education. You ought to be ashamed of your selves. God ought to give you all luck you for the way you act. Wasting Government money or the poor peoples tax money. What do you gain? Ill tell you nothing. The people out here will take care of you all. You know what happened to old dirty Bush. you will get the same dose. You call your self smart. You act like little children no sense at all. You have degraded America and your self too. Nothing but dirty liars and thieves

President Clinton should  
throw you all out now. not  
wait for the people to do it.  
What right do you have to  
carry on like this. I want  
to say you dirty Republicans  
is the cause of America  
being in this mess. God  
help the American people. no  
one but dirty Republicans will  
trust in you. I thank God  
for president Bill Clinton. He  
is too honest for you all. old  
dirty Perow. He never worked  
for his money either. another  
liar. He didnt get by with  
his dirty work. Now he will  
never get in the White House  
all of you just count your  
self out. - (and get out now)  
you are a disgrace to America  
one who is a real  
american - and a Christian  
who loves America  
we are tired paying you  
Burns
