Dear Sir / Madam,

Having watched The Democratic Convention on SKY for several hours until after 3AM.

I wish to state that I enjoyed every minute of it

I do not understand your system for Nominations and Elections for the offices of President, Senate, Congress down to local Elections and I would hope to come across some Book explaining same.

I would be thankful if you could send me at the above address the Book you advertised on Monday/Tuesday morning called Conventional Wisdom.

May you continue to afford us in Ireland the opportunity to enjoy Channel Sky.

Yours Sincerely

Alderman [REDACTED]
