Dear "everyone at C-SPAN I & II

Thank you very much indeed for your excellent, interesting & unbiased programs.

I am the 93 yr old widow of an Air Force officer, I live alone & am totally home-bound. I watch C-SPAN 1 & 2 all night and never, never miss the SA Pacific Time "call-ins". Most interesting! -

Having lived all over the world in the 25 yrs of my late husband's service, being the daughter of a Czechoslovakian diplomat & having studied history all my life, I would have something to contribute occasionally -

However - notwithstanding your warning to call only once a month - I would like you to know that I

have tried for 2 yrs now, without luck
to have my calls answered!

So, please, do not warn us not to
call more than once a month: once
every 2 yrs would be more appropriate!

Sincerely & many compl-
iments again.
