

WHY I WATCH C-SPAN

I watch C-Span because (1) I like accurate and unbiased treatment of current issues; I want facts- not hypothetical projections- when the democratic principles and the Freedom of MY COUNTRY are at stake. I get this and much more on C-Span. (2) I see and hear news first-hand in the making, as I watch legislators debate, argue and vote, or manipulate, undermine and table laws that affect me as well as the welfare and Freedom of America; I discern factual psychology, sociology and civics by actual demonstrated example -- better educational courses than college can possibly give! (3) In C-Span's well-programed presentations, I am updated on issues, attend news conferences, hear opinions of both public and private sectors, and I am inspired by full-length speeches of patriots--especially presidential speeches--that, otherwise I would not have had the privilege of hearing.

Sincerely.
