Dear Sirs,

I am writing on behalf of my son-in-law, Mr. [REDACTED], who saw part of a program you have airing at the moment on C-Span called "Campaign Management" from the Campaign Management Institute of Public Affairs from American University.

Since he lives in Venezuela and was not able to see your full programming on this, he would like for you to send him a list of the programs, or titles, etc. of the programming, so that he can choose these programs and order them.

I called your customer service yesterday and was told they could be ordered at a cost of \$35 an hour so it interests him to have a list to choose from since this program is being viewed for two weeks.

Could you please send him this information to his mailing address which I will give to you now..... he'd appreciate this information as soon as you can send it to him.

The mailing address to send
this "Campaign Management" information
to is :

Miami, FLORIDA 33102

Thank you for your help and
attention in this matter.

Sincerely yours,
