

We have an awful o-
pinion of Clinton &
think he should resign
or be impeached. After
7 mos. this insipid
man ~~was~~^{is} still telling
lies. He has no honor.
We hold him beneath
contempt!! We are sick
to death of his MVD.

He lives in our house,
the White House, where
he "rented" out the Lincoln
Bedroom. He uses women
He uses his friends. He is
A ghastly example for
young Americans.
