

Dear Mr. Lamb.

Mon, 8-23-23

I do not think you have to apologize for pairing Pat Buchanan, a Conservative, and Christopher Hitchens, a socialist. If Clinton has alienated both the left and the right, that's his fault. I find it telling that even the callers for Clinton couldn't say anything concrete about his program except he was sincere. Unfortunately

when America needed a strong leader to forge away into an uncertain future, ~~and~~ we didn't get one in Clinton. He's lied to everyone. It's embarrassing. Sincerely
