

2/18/94

Thanks to all the
People who makes
C-Span work. Its the
best thing for America,
sense the end of slavery.

We got on Cable last
month and my life took
a change for the better. My
wife is a Clinton fan
and she used to take
her rages out on me
and the news anchors,
if there were any Clinton
bashing on the News
on T.V. With C-Span she
can see the bashers in
Person. Now Dan, Tom,
and Peter are off the hook.

If we ~~of~~ only got CNN
I would probably hit
the road. 1996 is too far
off.

Sincerely,

mill, S.C.
