Dear Sir:

Thank you so very much for featuring
"A Week in the Life of Talk Radio." The
shows were great!! My favorite was
"The Cathy Hughes Show" Today. I moved
from Malver Heights, Maryland in August, 1988
& I listened to WOL & the Cathy Hughes
Show Monday through Friday. I missed
her program so much. While reading the
radio section of the Washington Post on
May 29, 1990, I saw that C-Span would
be broadcasting her whole show on June 4.
I became so excited!! I just ^{can't} barely
wait for 6 a.m. today to come. I
(over)

(2)

taped the show. Those 4 hours went by so quickly, while Cathy's show was on. I enjoyed it so much! I had missed hearing Cathy's show, since I had to move back home to Portsmouth because I retired on disability.

I also watch other programming on C-Span. You do an excellent job.

Sincerely,

A solid black rectangular box used to redact the signature of the sender.
