Sirs:

Watching C-Span on TV this morning was Very Interesting, Thank you!

Gosh we need Caring People in, as Equal Rights to All is Very Scarce! I would like to Hear-More on this Woman.

You see, I just went thru a separation/Divorce of 30 yrs. to a Ret./VA Military and Corps of Engineers, man. I can write a Book on the Unjustice in our Court-System, from Family Div. "not Enforcing alim.-Pmts for over a yr. to Hearing Officers not allowing, Parties to speak up, to Judge that-Stops a Court-Order of alim. w/o a Hearing, to False statements of attorneys and Non-Participating attorneys yet that attorney wants Paid or any Problems and attorney Drops your Case! I've even had a Bad Check by att. to Me!

I started to write you a Story, But.  
 Nobody Cares for Equal Justice, and  
 over this! I've lost 30 yrs of Federal-  
 Benefits as a wife of 30 yrs, Federal-  
 Regulations Cut-off the wife at time  
 of Divorce! I never would have Believed  
 this thru - Our Legal System, But with  
 the Allegheny Court System & Attorneys  
 & Officers & Judge, I now feel different.  
 Nobody cares to Judge-fairly, Until-  
 it Happens to them!! So after working  
 30 yrs & loss to Benefits, I have No  
 Choice but to Start all over, Go to  
 some School get Training, go to Welfare  
 get some Medical Coverage and  
 Hopefully by 55 yrs old (2-3 yrs) I  
 can Pull Myself up again, God willing!  
 Sure Wish Someone would Care Enough  
 to force Equality to all!

Thank you
