C-Span
Wash., D.C.

I have been trying for a week to get them to make a comment on the early morning program, but in vain.

I am writing to say I am horrified that C-Span carried the charge of Luis Fabrahan on San. site Feb. 27th. I have never heard such anti-American, hate-mongering, racism as from this wicked man. And to think C-Span already would have known what he did & said in Liberia & Iran. It is incredible that C-Span could air such a program. I turned it off before he got thru, or I might have thrown something at the TV!

And since whenever C-Span promote a religion? In this case, Islam, which are trying to

influence people of their
persuasion to do away
with our liberty & form of
government. Since his ac-
cepting a billion dollars from
his "Brother" who hates America
with a violent passion, you
have to be blind ^{not} to know that
when Islam takes over a country,
there is absolutely no freedom!

How about putting something
positive on C-Span? Like the
world wide TV special of
Billy Graham on April 14. This
will be carried in over 160 countries.
Billy Graham is one of, if not the
most, respected man in America &
he certainly has something to say.

In fact, the U.S. Congress awarded
both him & his wife a special gold medal
for their moral leadership of 50 years.

If there is anything we need in
this country, it is moral leadership.
You could contact Billy Graham at
the add. enc. for details. Sincerely,

He spoke at Pres. Nixon's
funeral, after the Opla.
 bombing, & many other
gatherings of national
& international gatherings

His ministry is
embraced by all
denominations,
inc. many
Catholics.
