Brian, What a grand
all-satisfying interview of Ben Bradley!
What a life he has had - such a candid &
clear-headed human being.
I must buy his book. I was ready to
do so & then I rec'd. Pamela's book for a
gift & have been reading that - my copy
has 617 pages! I would like his autograph
but am not sure where to send it.
I wrote him a note complimenting him on a
Harvard speech I rec'd. a warm, thank you
note from him which may be from our next
president. If the Reps. are smart enough they
will nominate him, I feel - 1st black president &
he might heal some of the need for racial concerns (concerns)
THANKS, Sincerely [redacted]
