Dear Mr. Lamb -

We have tried for years to get through to express some point of view on C-Span to no avail. So the next best thing to do was to come to Washington under the auspice of Close-Up program for Older Americans.

We were there May 1st to May 8th & thoroughly enjoyed the topics that were scheduled for us, plus all the sight-seeing of historic monuments. It was a week well spent even though we were not part of Televised Educational Audience. Just to be there was enough.

We want to thank you for C-Span. C-Span is getting me away from the soaps. Keep up the good programming. Once again thanks for C-Span, + Close-Up Foundation.

Yours Truly
