As usual, I watched your Friday Morning "Call In" Program. Today, it was a Travesty!

It was NOT a Journalists Roundtable — Instead, we were "treated" to a Washington Radio Talk Host who displayed VENOM and intolerance while he insulted callers and did not even let them finish a SENTENCE!! It was horrendous. Your callers PAY a Long Distance charge when they call C-SPAN. YOU KNOW this!! Yet, you did NOT stop the ABUSE. It was shameful. I switched channels —

PS: The man from Boston and the man from PBS were OK.
