Dear Mr. Lamb,

I wish to commend you for being the ONLY talk-host who presents the news without bias and without forcing your personal agendas upon us. It is obvious that you are a gentleman of integrity and brilliance.

If it is within your power, I would encourage you to somehow get a message out to the American people who have not found the peace and joy that comes with accepting God's love and ultimately then, of course, interacting with all others through that unconditional, nonjudgemental love for their fellowman. THAT MESSAGE WOULD ENLIGHTEN THOSE PEOPLE THAT THE RIGHT WING REPUBLICANS, ESPECIALLY SO CALLED CHRISTIANS WHO IN THEIR MEAN SPIRITED SHAMEFUL ATTACKS UPON PRESIDENT CLINTON are not in fact operating from the Bible instructions but from their own evil spirits. IF I WERE NOT A CHRISTIAN WHO MIGHT BE CONSIDERING BECOMING A CHRISTIAN, I WOULD BE DETERRED. Who would wish to join such a tyrannical despotism lacking in mercy or grace? I CAN TELL YOU PRESIDENT CLINTON'S SO CALLED CHRIST-LIKE ENEMIES HAVE TOTALLY MISSED THE MARK INCLUDING Dobson and Falwell, etc. They are a disgrace to the Christian community and all that we stand for.....all that God stands for which are the fruits of the spirit, which they reveal that they have none.

People of refinement would never have made public a discretion of another's private and personal life. They could have talked to him in private if their hearts were pure and had they not wanted a theater of self grandiosity and delight in destruction of the President President Clinton's enemies are the ones who should hang their head in shame and I guarantee you that God will bring them to their knees. The natural law will bring a judgement upon them. It is written in the Bible and it is so, even though sometime slow....it comes.

But look at the damage they do in the meantime, but which I feel God will turn around for good. God is still in control and President Clinton's enemies will find that out.

Sorry, my intent was not to be so preachy. I know that you are in a position to make a difference in this world, so I feel I must appeal to you for what I believe could influence civility, if not Godly interaction between all mankind. If the shifting of a grain of sand has the ability to influence change in the universe, how much greater YOU, who reach millions, can influence if not change, for the better. AGAIN, THANKS FOR THE ENCOURAGEMENT OF YOUR INTEGRITY. SURLY GOODNESS & MERCY SHALL FOLLOW YOU ALL THE DAYS OF YOUR LIFE.

Most Respectfully,

O. Umplean
