

Why does your Moderator
let you same women
Call day after day +
let her go on + on +
never cut her off!
like you do if a Caller
has a Conservative
View. She has her
the same people each
time like Rush Limbaugh
but you let her go on +
on. What about your
30 day policy is it
only for Conservatives?
be fair: where is the FTC
when it comes to your tactics
