Dear Mr. Lamb:

From May 18 to May 25, 1996, my husband and I participated in the Program for Older Americans. Every activity was well-planned and designed to inform and to inspire but also to provoke reactions. As a result, various sides and issues surfaced, producing healthy interactions among the program participants and between the program staff and participants. We enjoyed the many rich opportunities to learn, inquire, and to reflect.

About 3 years ago, we attended our first CLOSE UP Foundation Program for Older Americans. Because it was excellent, we vowed to return again. This program focusing on Foreign Policy met our high expectations.

We hope the Foundation will keep us on its mailing list.

Note the enclosures for they capture out thoughts again.

Sincerely,
