Dear Mr. Lamb —

I was shocked and amazed to hear you explain to Tim Reussert that you changed the telephone system to Demo & Rep & other because callers coming in were mostly Republican and the program was becoming mean & ugly. (or words to that effect). I've been rising at 4 A.M. for years to watch the journal, and it is my feeling that the opposite is true. Democrats say much more inflammatory things — and whoever gets there should get to speak. Not one liberal while 100's wait on another line.
