Dear Mr. Lamb.

Now would be the most appropriate time to listen to Mr. Lee Atwaters very moving and sincere testimony he gave shortly before he passed away due to a brain tumor.

It would be an excellent tribute in Lee's memory if you would repeat his testimony several times on C-Span. It would not only be a tribute but what a powerful sermon to each one of us on "forgiveness".

Sincerely

P.S. Brian, I hope the Holy Spirit moves you like He moved me to write you.
