To whom it may concern,

I am writing to thank you for your coverage of the Libertarian Party nominating convention. Although I didn't get to watch all of it, what I did see (which was most of the televised coverage) was well produced. Besides the content of what occurred at the convention, I especially was impressed by C-SPAN's (in the person of the live reporter) questioning key Libertarians about the meaning of certain events and the interviews with the two major presidential contenders: Boddie and Marrou.

Again, you are to be commended for your efforts in assisting in exposing thousands to the U.S.'s third largest and fastest growing political party.

sincerely,

Co-Chair, Montgomery County
(Pennsylvania) Libertarian Party
