

Mr. Lamb,

Consider these organizations — were they in existence before Pres. Clinton was elected? Floyd Brown's "Citizens United, Clinton Watch"; "Closeup Foundation, Whitewater Investigation"; "Concerned Women of America"; "BoPAC"; "Council for Citizens Against Gov't. Waste"; "Rising Tide"; "Media Watch/Brent Bozell"; "Independent Women's Forum" & I'm sure many more. (All Republican Organizations.)

Also question: 12+ Anti-Clinton books. Not only Jerry Falwell's anti-Clinton contributions — Pat Robertson on "500 Club" sending out "Fact Sheets" in favor of Paula Jones, televising an 800 # to send contributions for Jones defense fund. 200+ conservative hate radio. Roger Ailes & R. Murdoch brought in C. Matthews, & Linchburg. Fox T.V.; ms. ~~are~~ constant anti-Clinton Jennings. This is just a touch of the iceberg!
