NICE

Gentlemen,

Many thanks for your fine programming and keeping us well informed re: political activities in our govt.

Please do what is necessary to restore CSPN (Channel 19) on TV from 6 PM - Midnite PDT. We MISS it, we want it & are lost without it!

TCI, Pleasant Hill, Ca. controls our channels & replaced CSPN with local gibberish, ads & lunacy after 6pm PDT. Thankyou. [REDACTED]
