Dear Mr Lamb:

You and all your associates, on and off
Camera, do a wonderful job. In my opinion,
the ONLY programming that covers the right,
the left, the loonies and the staid, plus most
in between. You seem to be the only book reviewer
who has read the book. Knows what the author
attempted, and help the viewer understand. Today
Mon. A.M. 10/17/94 - Opinions from MOLLY IVINS, Fort
Worth Star Telegram. A red head in a red dress, a happy
flaming liberal. Sincerely, [REDACTED]
P.S. News from Moscow - Please cut down the Russian, pound
the translator is drawn out. [REDACTED]
