Gentlemen:

After calling you at 202-628-2205
and being told the program that I
was interested in would air on
Sunday August 18 at 6³⁰ Eastern
and 9³⁰ on the Coast, I am very
disappointed to report that it
did not happen.

I wanted to see the Peter Inst.
Round Table on Canadian and
U.S. Health Care problems.

2.

I especially wanted to get
the ideas presented by Judith
Feder.

Can you provide me with a
transcript or Video Tape

Very truly yours,
