

Gentlemen: While the
Senate is not in session,
would appreciate a program
about the Senate chamber.
A view of the entire
chamber and the gallery.
Also an explanation of who
sits in the two rows in
front of the president's
chair and their functions.
Also is the front of the
president's chair marble
or carved wood and all
such details. If you do
this please notify me of
date, time and which channel
(address over)
